

# WHO TAKES THE RISKS IN YOUR FIRM?

**You will be surprised at the risks your employees can take on your behalf.**

Sometimes it's little short cuts with safety. Other times it could be total failure to spot the beginnings of a major problem

- **A Serious Fire Hazard, Potential Accident**
- **or Some Other Business Stopping Disaster.**

**Minimise the risks to you, your business, employees or customers with the BECKETT SHIELD Risk Assessment.**

A thorough appraisal of the risks you face will reduce your potential costs and the likelihood of serious business interruption in the future.

- **RISK MANAGEMENT**
- **DISASTER RECOVERY PLANNING**
- **COMMERCIAL INSURANCE**
