PEMBERTON, BARCLAY & HOUGHTON LIMITED

PEMBERTON, BARCLAY & HOUGHTON have over 20 years experience in providing structured finance and unsecured loan facilities to the professional businessman.

We specialise in providing a unique tailored service based upon a clear understanding of individual requirements and providing flexible, cost effective solutions to meet these needs.

Committed to prompt, reliable and confidential service that provides imaginative ways to assist your growth and success. For example, our unsecured loans are totally flexible, easy to implement, and offer a new line of credit, leaving other banking lines unaffected. Our structured, tax efficient rental product enables computer software and hardware to be acquired in an extremely cost effective way. This product can also be used for office refurbishments (including furniture and structural improvements) and other asset purchases.

All products are bespoke and are designed to meet specific individual budget requirements. Interest can be fixed and repayments can be deferred to suit your cash flow requirements.

Facilities are available for between 1-10 years with no upper limit on advance available. All facilities are subject to both status and contract.

If you would like further information, or if you require clarification on any of our products, please return the attached reply card or call us on 01206 231616.

Our Advice is FREE and Confidential, with No Obligation on Your Part.
