V.D.U. OPERATOR!

GIVE A NEW LOOK TO YOUR V.D.U.'s

As of January 1st employers have a responsibility to their employees regarding health and safety within the office. Saxon Computers can guide you through the maze to help you make the right choice of product for your organisation and particular type of usage.

We at Saxon specialise in VDU screen filters of various types however, our most popular filter is a unique product that is so well designed it actually looks like part of the screen. Amazingly older VDU's can be made to look almost new, as well as meeting the new EC Directive!

**SAY GOODBYE TO:
Eyestrain, headaches
and absenteeism.**

**SAY HELLO TO:
Increased productivity
and Happy Staff!**
